IMPORTANT INFORMATION

Tipping

A friendly reminder that tipping is not included in your package. Tipping is not compulsory on your trip, but they can make a big difference to locals employed in the tourism industry. If you feel that your guide and driver have done an impeccable job, you can choose to give a gratuity, but this is entirely your decision.

For the services of your guide, it is suggested that you budget for AUD\$10-20 per person, per day. Tipping of your driver is also appreciated and we would suggest AUD\$5 per person, per day.

As this particular tour does not collect a 'kitty', it is entirely up to the individual whether or not you would like to tip locals for the services of things like taxis or when dining at restaurants. In these cases, we suggest you allow 10-20% of the value of the service as a tip. Again, it is not compulsory and entirely up to the individual.
