Often recognized as one of the Seven Wonders of the World, this UNESCO World Heritage site is a staggering feat and a bucket list destination. We will be touring the Juyongguan section, one of the three most famous passes along the Great Wall. Located 60km from downtown Beijing, it used to be a stronghold that protected the northern access routes to the city. Here we'll get a chance to climb a portion of this architectural marvel, which stretches an astonishing 21,000km. En route back to the city we'll visit one of the largest jade exhibitions in China and learn all about China's most precious and celebrated stone.
